

OFEV® DOCTOR DISCUSSION GUIDE

OFEV® is a prescription medicine. Your doctor can explain what it is and how it might be able to help you. Before your appointment, write down any questions you have about OFEV®. Here are a few suggestions to help you get started:

> What is OFEV®?

> When should I start taking OFEV®?

> How does OFEV® work?

> Does OFEV® have a patient support program?

> Could OFEV® be appropriate for me?

NOTES:

Book an appointment to talk with your doctor today – together, you can decide if OFEV® is appropriate for you.
